Letter from your Resident Advisor:

My name is and I'm psyched to be your RA this year!  $<(^{\nabla})$ 

My origin story begins in sunny California... now I'm a fourth-year at SAIC, focusing in animation. I also love fashion and neon sculpture! (¬■¬■) /

(she/her)

I'm your explore guide for SAIC and the city. I'll host programs and floor meetings throughout the year to get us settled down and geared up!  $(\mathbb{D}^{\bullet} \cup {\bullet} \mathbb{D}) \circlearrowleft \diamond *$
