

# ¡WELCOME TO SAIC!

I am Angel, and I will be your RA (resident advisor) for this coming semester!

I am a third year bfa student here at SAIC, focusing on video, sculpture, and social practices.

I love cooking, hiking, watching movies, and playing card games. If you have any similar interests, feel free to reach out. My email is [aespin2@artic.edu](mailto:aespin2@artic.edu)

I can't wait to get to know you, and help you in your exploration of your art practice, be it about choosing classes, getting feedback on artworks, or navigating the city of Chicago (where you live can be an inspiration for your art). There's so much to see and do here, it can be overwhelming, but I will be here to help you navigate the parks, museums, theaters and neighborhoods that make your new home.

The community at SAIC is really friendly, and everyone has a desire to help others. I hope you will find it as much a joy as I have to enter into this community, and I will see you soon.

Your resident advisor,  
Ángel Espinoza Bergins
