### STEP 3: CALCULATE YOUR ESTIMATED AMOUNTS DUE TO SAIC

To determine your estimated amount due to SAIC or refunded to student, use the formula Subtotal A - Subtotal B = Subtotal C.\*\*\*\*

## (CONTINUED ON NEXT PAGE)

\* Health insurance may be waived if the student has comparable coverage per year. Waivers must be resubmitted each year online at AHP saic.myahpcare.com. \*\*\* Aid resources that require additional steps to secure. Loan fees will be deducted from your Stafford and PLUS Loans, as well as some private loans. Refer to the SAIC Financial Aid Award Guide. Please note that the loan amounts requested cannot exceed your cost of attendance (COA) budget, and program limits. Your COA equals the total of your Direct and Indirect Costs. Students may view their COA budget on SAIC Self-Service.

\*\* These are 2025-26 rates, subject to change. Please refer to the website for up to date information.

\*\*\*\* Please note that if your balance at Subtotal C is a credit, you may be issued a refund which can then be used to cover indirect costs. If your balance in Subtotal C is an amount due, you will need to pay the remaining amount in full, secure additional loans, enroll in a deferred payment plan, or any combination each semester.
