# 2027-2028 Non-Filer Statement

It was indicated on the 2027-2028 Verification Worksheet received by Student Financial Services that you, your spouse (if married) and/or your parent(s) (if you are a dependent student) were not required to file and did not file federal income taxes for the 2025 tax year. In order to complete the determination of your student aid eligibility, 2025 earning and wage information must be verified for all individuals whose income is reported on your Free Application for Federal Student Aid (FAFSA). Please complete this form and return it to the Student Financial Services Office.

If more space is needed, attach a separate page with the student's name and SAIC ID number at the top.
